

Notice To All Players in PSHC Regarding Winter Session 2020-21

The Executive hopes that all players have remained healthy and active during the last several months.

The City of Peterborough is asking what our League's intentions are moving forward through the Winter. The PSHC takes first and foremost the health and safety of its players as its guiding principle in making decisions. Taking this into account, along with the fact that the City of Peterborough has not softened its requirements for players to adhere to prior, during, and after games, the Executive has decided to cancel the Winter session for 2020-21.

If unforeseen developments happen conducive to a return of play, the Executive will re-evaluate, although this seems highly unlikely with Cases increasing, and given the volatility of the virus, especially through the winter months.

The Executive will be in contact with Team Reps in 2021 as to how September hockey (hopefully) will happen.

Stay safe, stay smart.

The Executive,

Peterborough Seniors Hockey Club.
